## The Best Proof.

Ironton Citizens Cannot Doubt It.

Doan's Kidney Pills were used—  
they brought benefit.  
The story was told to Ironton resi-  
dents.

Time has strengthened the evidence  
Has proven the result lasting.  
The testimony is from this locality.  
The proof convincing.  
Mr. Joseph Knagge, Fredericktown,  
Mo., says: "Walking, stooping or  
lifting always gave me backache and  
the sharp pains kept me in misery.  
The kidney secretions were scanty  
and painful in passage. One box of  
Doan's Kidney Pills greatly relieved  
me."

GONE FOR GOOD.  
More than five years later, Mr.  
Knagge said: "I am entirely free  
from kidney trouble now and don't  
have any more backache. I give  
Doan's Kidney Pills credit for this."  
Price 50c. at all dealers. Don't  
simply ask for a kidney remedy—get  
Doan's Kidney Pills—the same that  
Mr. Knagge has twice publicly  
recommended. Foster-Milburn Co.,  
Prop., Buffalo, N. Y.—Adv.

Quiet Joys.  
The joys that are bought with money  
are worth nothing compared with the  
joys that, though sweet and gentle and  
unassuming, are yet deep, enduring  
and quieting; the joys that enlarge the  
heart instead of diminishing it, and  
which we too often pass by—some-  
what in the manner of those peasants  
whom one sees in an ecstasy over the  
fireworks at some fete, and who pay  
not the smallest attention to the splen-  
dor of a summer night.—Sabater.

P. A. puts new joy  
into the sport of  
smoking!

YOU may live to  
be 110 and never  
feel old enough to  
vote, but it's cer-  
tain-sure you'll not  
know the joy and  
contentment of a  
friendly old jimmy  
pipe or a hand rolled  
cigarette unless you get on talking-terms  
with Prince Albert tobacco!

P. A. comes to you with a *real* reason for all the  
goodness and satisfaction it offers. It is made by  
a patented process that removes *bite and parch!*  
You can smoke it long and hard without a come-  
back! Prince Albert has always been sold without  
coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette  
enjoyment! And that flavor and fragrance and  
coolness is as good as that sounds. P. A. just  
answers the universal demand for tobacco  
without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder  
than to walk into the nearest place that sells  
tobacco and ask for "a supply of P. A." You pay  
out a little change, to be sure, but it's the cheer-  
fullest investment you ever made!

## Another Point.

The railway authorities assert that  
to meet the demands of the em-  
ployees, the railroads would have to  
find about \$100,000,000 a year to add  
to their payrolls. It probably would  
not stop there, for if the roads have to  
pay an advance to their employees in  
train service, who are now relatively  
well paid, they will have to advance  
the wages of all other classes of labor.

Railroad officials say they cannot  
meet the demands on their present  
revenues. Their annual statements  
indicate that such is the fact. That  
is their problem. It does not concern  
the employees who are demanding  
higher wages and shorter hours. But  
it should concern the public. Every  
citizen will have to bear his share of  
the cost and suffer his share of the  
inconvenience which an interruption  
to railroad service must entail. The  
question for the public to consider,  
therefore, is whether it is willing to  
assume an additional burden so that a  
few favored groups, which has the econo-  
mic power to enforce its demands, may  
be still more highly favored. That is  
the proposition in a nutshell from an  
impartial public point of view.

## "Big Business" in Small Town Firms.

"The small town merchant too often  
is of the opinion that it is impossible  
for him to compete with the mail or-  
der house in big city," says J. B.  
Powell, instructor in advertising in  
the University of Missouri at Colum-  
bia. This idea is wrong, according to  
Mr. Powell, who says that if "big  
business" methods are adopted by  
small concerns the annual profits will  
be as large proportionately as those of  
large mail order houses which send  
out beautifully decorated catalogs.

Strict adherence to an accurate  
system of bookkeeping, competent  
clerks, store service and judicious ad-  
vertising are some of the methods of  
"big business," Mr. Powell urges.  
About 5 per cent of the year's gross  
sales should be expended each year  
for advertising medium. Care in the  
writing of advertisements should be  
one of the most important parts of  
the "big business" system, according  
to Mr. Powell.

Democratic voters would be disap-  
pointed if the Globe-Democrat and  
Pee Dee were approving Democratic  
State officials. Knowing the principles  
controlling these newspapers and the  
selfish interests they serve, both in  
politics and business, Democrats know  
beyond the peradventure of a doubt,  
that Democratic officials not receiving  
exhortations from these organs would  
not be carrying out Democratic prin-  
ciples in the conduct of State affairs.  
There is nothing the G.-D. and the  
Pee Dee love to hate quite so much as a  
Democratic Democrat.
